

SERVICE FORM

GENERAL INFORMATION

To facilitate service or warranty repair we have prepared the following manual and the service form (on the second page of this document).

Full and correct filling out of the service form will enable and significantly shorten the time of the service procedure.

Remember to:

- include a complete set of equipment in your parcel
- attach proof of purchase and warranty card
- complete, print and attach the service form
- **remove battery pack from your accumulator before shipping**

The package should be sent to the following address:

Ammonite System
Plonska 5 street
Warsaw, 03-683
Poland
